## CORNELL ITEMS OF INTEREST LOCALLY

Says the Ithaca Journal:

"The Hawaii Club of Cornell" is the name given to a new club recently organized. The purpose of the organization is to aid men coming from the Hawaiian Islands and to secure publicity for these too little known possessions of the United States. It will work in conjunction with the Cornell Club of Hawaii, which has headquarters at Honolulu in interesting prospective students in Cornell.

"Walter G. Smith," '82, official lecturer of the Chamber of Commerce of the Hawaiian Islands, has been secured by the club to deliver an address here in the near future. At the organization meeting the following temporary officers were elected: David Townsend, '14, president; R. W. Hendry, '14, secretary."

Mr. George H. Rockwell, who spent the past summer in Honolulu, as the guest of his sister, Mrs. Lieutenant Pratt, has recently been elected Life Secretary of the class of 1913, Cornell University. At the same election M. Albert Horner, Jr., of Hawaii was elected memorial orator of the class. These are not the only college honors that have been won by these men. Mr. Rockwell being the manager of the basketball team, and Mr. Horner the leader of the glee club.

Holds Track Championship.

Cornell now holds the Chinese track championship of America, if not of the world. It was won at the eighth annual conference of the Chinese Students' Alliance, held at Williamstown, Mass., in the week of August 26, in the track and field meet Cornell men captured eight first places and tied for another. Ten Chow, '15, of Shanghai, made the largest number of points, and won a silver cup. The Cornell men earned their victory, for they had trained faithfully for several weeks at Percy Field.

Their most spectacular victory, was on the cinder path, where they took first place in every event from the hundred yards to the two miles, winning a silver cup, breaking three of their records, and scoring fifty points against twenty-five for Yale, their nearest competitors. K. Y. Chan, '12, won the tennis championship and another silver cup. And it was not only in athletics that they shone. K. S. Lee, '13, won the first prize in English oratory and S. Hu, '14, won the second prize in Chinese oratory. The interesting thing in these contests is that these students from the other side of the world ally themselves so enthusiastically with the university of their selection. Cornell is their alma mater, and in their loyalty they afford a pattern for some Americans. There were 161 students at the conference, and the delegation from Ithaca, numbering twenty-one, was the largest. —The Cornell Alumni News.

No fewer than 145 freshmen have registered for the crew at Cornell. Some sixty freshmen are trying for the class football team.

The senior class at Cornell has elected as its president John Paul Jones, holder of the world's amateur mile record of 4:15.2-5.

## Demand the FULL Earning Power of Your Investments

You have a positive right to insist upon receiving the full earning power of every dollar you invest.

Safety is ALL important—no other consideration can affect the influence of this vital factor. But the income yield is the real reason for making the investment.

The maximum earning power, consistent with safety, of invested money is absolutely fixed by laws of finance which govern every commercial relation. The individual who attempts to secure more must do so at the expense of safety itself, while the investor who is content with less is depriving himself of what is rightfully his own.

## Safe 6% First Mortgage Bonds

We own and offer First Mortgage Bonds based on improved, centrally located, income-earning Chicago real estate of the highest class.

Securities of this type offer unquestioned safety, with an unusually attractive income yield. They are the one fundamental investment.

In accordance with the rigid and unvarying policy of this house, the value of the underlying security, conservatively appraised, must be at least two to fifteen years.

## 30 Years Without a Dollar Loss

For the past thirty years we have sold this class of securities exclusively, and it is a significant fact that during that entire time not one client has ever lost a single dollar, either of principal or interest, on any security purchased from us.

Quick convertibility into cash is assured through our custom of repurchasing securities from our clients, when requested, at par and accrued interest, less a handling charge of one per cent.

Interesting literature of extreme value to every conservative investor, including a copy of the semi-monthly investor's magazine, will be mailed on request. A very choice list of carefully selected, specific issues has been prepared. Ask for Circular No. 301
